

## Elawa Farm Nature Center

This unique summer camp will be hosted at Elawa on Waukegan Road in Lake Forest. It will utilize both the outdoor farm and the new science lab classroom located in a restored building on the site. This science laboratory has been equipped and is supported through a shared partnership with Lake Forest High School District 115, Lake Forest Elementary District 67 and Lake Bluff District 65 .

Elawa Farm Wildlife Discovery Center is located at 1401 Middlefork Drive, Lake Forest, Illinois
